## REFORM IN GENERAL DELIVERY

Strict Observance of Law.

More strict observance of the postal awa and regulations has been ordered by Postmaster General Hitebook so far a they after the seneral delivery service. For some time compilation have been made that this branch of the service was selected that this branch of the service was selected that the branch of the service was selected that the branch of the service and hyperical selection of the regulation postmasters may edilibe all persons to furnish in writing their sames and addresses and statements of their reasons for jureferring to control the first service of the service of the service of the service of the service of their parents, in order that the parents in the service of their parents, in order that the parents are the service of their many notify the parents of minors in all instances where it appears to them hastern at offices not having city carrier seal of their many notify the parents of minors in all instances where it appears to them has the minors are using the general believery for getting their mail under obsectionable circumstances.

Fourteenth Street, between Otis and farnum Streets, is to be straightened. The Lobeck hill, providing for this improvement, has been ordered favorably sported by the Senate Committee on the lastict of Columbia, and has already en passed by the House.
